

Bilkent University

Department of Industrial Engineering

FACULTY POSITION ANNOUNCEMENT

The Industrial Engineering Department at Bilkent University seeks candidates for multiple faculty positions beginning September, 2024. Appointments may be made at Assistant Professor, Associate Professor or Full Professor positions. The candidate must have a Ph.D degree in a related field at the time of employment.

The department emphasizes both high quality research and teaching. Faculty duties include research, teaching at graduate and undergraduate levels, supervision of master and Ph.D students and other related tasks. Information about the department can be found at <http://w3.ie.bilkent.edu.tr/>

The department welcomes candidates with a strong fundamental background in one of the research fields: optimization, decision-making under uncertainty and risk, revenue management and pricing, production planning, simulation, statistics or data analytics. Candidates, who can build a strong methodological research base of operations research by contributing to application areas of high impact such as finance, health care, supply chain, sharing platforms or energy, are especially encouraged to apply.

Salary is competitive and commensurate with qualifications. Faculty members are provided with research and teaching support, provision for international travel, comprehensive health coverage, pension and other benefits, and rent-free furnished housing on campus where the suburban location offers a pleasant living environment. For the first four years, new faculty members will have a reduced teaching load. There is also an excellent international school (with grades pre-K to 12) for faculty members with families. For more information on Bilkent University's programs and facilities, visit <https://w3.bilkent.edu.tr/bilkent/>

Applicants should submit a cover letter, curriculum vitae, statements of teaching and research interests, sample publications or working papers, and the contact information of at least three references by applying online at <https://stars.bilkent.edu.tr/staffapp/IE2023>

There are also multiple Visiting Position opportunities for up to two years.

If you are presenting at the 2023 INFORMS Annual Meeting, submit at least a partial application package to Prof. Bahar Yetiş, Chair, E-mail: bkara@bilkent.edu.tr
